Attn: Mr. Foster DeOdato

Dear Mr. DeOdato:

On July 10, 1991 I wrote to advise our facility 6-518645 would activate a new tank farm in early August of 1991. The new facility was activated on August 5, 1991. The old farm was temporarily taken out of service and will be removed. Revised tank registration forms are submitted to reflect our current operating posture.

Very truly yours,

REGISTRATION OF STORAGE TANKS

STATE USE ONLY

DATE RECEIVED: 10/7/91

IN ACCORDANCE WITH SECTIONS 303 AND 503 OF THE STORAGE TANK AND SPILL PREVENTION ACT, OWNERS OF REGULATED STORAGE TANKS ARE REQUIRED TO REGISTER THEIR TANKS WITH THE DEPARTMENT AND TO PAY A REGISTRATION FEE.

AMOUNT RECEIVED: 0

INSTRUCTIONS

Please type or print in ink all items except "Signature" in Section V. This form is to be completed for each FACILITY which has regulated storage tanks. If there are more than 10 underground or aboveground tanks, photocopy the reverse side of this form, and staple continuation sheets to this form.

Section I. Owner Information - Name, business mailing address and phone number of OWNER of the storage tank(s) at the facility. Please include county and Federal Identification Number, if none include your Social Security Number.

Section II. Type of Owner - Mark the appropriate box.

Section III. Facility Information - Name and physical location (not P.O. Box) of FACILITY. Please include county and township in which FACILITY is located. Include the Facility Identification No. if known.

Section IV. Type of Facility - Mark the appropriate box, if applicable.

Section V. Description of Storage Tanks - This section is for recording information about each regulated storage tank at the facility. Information for aboveground tanks is to be recorded in Part A. Information for underground tanks is to be recorded in Part B.

1. Tank Registration Number - The registration numbers to be recorded for underground tanks are "001", "002", "003", etc. The registration numbers to be recorded for aboveground tanks are "001A", "002A", "003A", etc. The "A" has already been printed on the form for your convenience.
2. Status - Indicate whether the tank is currently in use, temporarily out of use, or permanently out of use. Permanently out of use means properly closed in place with an inert solid material. Do not include tanks which have been removed.
3. Date of Installation - Specify the month and year the tank was completely installed. For instance, "0190", for January, 1990. If unknown, write "0000".
4. Capacity - Specify the total design or maximum capacity of the tank in GALLONS. If unknown, write "unknown".
5. Substance Currently or Last Stored - Indicate the substance(s), currently or last stored. If a hazardous substance, please indicate CERCLA Name and CAS Number. If other is indicated, please specify.
6. Tank Has Been Issued Fire Safety Approval or Permit - Indicate whether the tank has been approved or permitted by the Pennsylvania State Police, Fire Marshal Division; or local agency under their jurisdiction for fire safety.
7. Registration Fee - Determine registration fee due PER TANK as indicated below. A registration fee is NOT required for tanks permanently out of use.

A. Aboveground tanks

1. Up to and including 5,000 gallons - \$50 per tank
2. 5,001 to and including 50,000 gallons - \$125 per tank
3. Greater than 50,000 gallons - \$300 per tank

B. Underground Tanks - \$50 per tank

Record the total registration fee due for all aboveground tanks in the space provided (A). Record the total registration fee due for all underground tanks in the space provided (B). Record the total registration fee due for all aboveground and underground tanks in the space provided (A + B). Submit a check or money order, for the total registration fee due, made payable to: Dept. of Environmental Resources.

Section VI. Certification - This section is to be completed by the OWNER. Please type or print the name and official title of the OWNER. The OWNER must also sign and record the date the application was examined.

Section VII. Nameplate Information - Complete this section for each aboveground tank greater than 5,000 gallon capacity. Use the same Tank Registration Number as identified in Section VI.

PLEASE SEND COMPLETED ORIGINAL FORM AND CHECK TO:

PERMIT
NATIONAL SERVICE

In accordance with 40 CFR 122, Sections 122.22 (a) and (b) and 270.11 (a) and (b), I hereby designate you to be my duly authorized representative to sign and certify permit applications, reports or requests for information from local, regional, state or federal environmental agencies that are concerned with NPDES documentation (National Pollutant Discharge Elimination System) and RCRA documents (Resource Conservation and Recovery Act).

This authorization applies where (1) employment is 250 or greater, (2) sales are \$25 million annually, and (3) proper authorization has been assigned.

Please attach a copy of this authorization to each applicable NPDES or RCRA submittal to environmental agencies.

This authorization expires on September 1, 1992. Should you have any problems with this authorization, contact William Prior at company headquarters in Akron, Ohio, phone (216) 668-7075.

A copy of this authorization and a copy of the attached certification must accompany all submittals.

RE: Guidance For Storage Tank Closure
Site Assessment And Remediation
WESTMORELAND COUNTY

Dear Mr. Colecchia:

We acknowledge receipt of your ~~April 16, 1990~~ notice relative to the removal of storage tank(s) at Chambers Avenue, Jeannette, PA.

Enclosed is a copy of the Department's guidance document for storage tank closure, site assessment and remediation. This document summarizes the closure and site assessment requirements contained in the U.S. Environmental Protection Agency's regulations and also sets forth the Department's policy of cleaning up to background where technologically possible or feasible. Also enclosed is a copy of the Department's policy and procedure for the disposal of fuel-contaminated soils.

Please note that any storage tanks that were neither removed nor permanently closed in place by November 5, 1989 must be registered with the Department. Registration is required even if the tank facility is to be permanently closed. Registration is also required for all new storage tanks upon installation.

We have enclosed a storage tank registration form, a tank registration information sheet and a storage tank fact sheet for your use if needed.

If you have any questions concerning the above guidance, you may contact our office at 412-645-7100.

Sincerely,

E. J. Gursky
Hydrogeologist
